

## NCSBN Regulatory Scholars Program Scholar in Residence

The Scholar in Residence position will provide the candidate with valuable nursing regulatory/policy experience related to education, practice, licensure, policy research and/or discipline depending on both the applicant's primary area of interest and NCSBN's organizational objectives. One applicant annually will be selected for this eight-week program to participate in a project related to nursing regulation under the guidance of NCSBN Nursing Regulation Staff. This position will typically occur during the summer but might be held at other time points based on NCSBN's needs.
